Wall 1/2

The diagram features a semi-circular arch structure. It is defined by two concentric arcs: an outer blue arc and an inner red arc. The arch is supported by two trapezoidal pillars on either side, also outlined in blue and red. The interior of the arch is a light gray color. In the center of the arch, the text "Wall 1/2" is written in a bold, black, sans-serif font.

Wall 1/2

The diagram features a semi-circular arch structure. It is defined by two concentric arcs: an outer blue arc and an inner red arc. The arch is supported by two trapezoidal pillars on either side, also outlined in blue and red. The interior of the arch is a uniform light gray. In the center of the arch, the text "Wall 1/2" is written in a bold, black, sans-serif font.

Wall 1/2

The diagram shows a semi-circular arch structure. It features a thick blue outer outline and a thinner red inner outline. At each of the two base corners, there is a trapezoidal reinforcement shape, also outlined in blue and red. The text "Wall 1/2" is centered within the arch.
